Peur Aura is a high-performance room freshener formulated to instantly neutralize unpleasant odors while releasing a long-lasting, pleasant fragrance. Designed for professional and everyday use, it enhances indoor environments by creating a clean, welcoming, and refreshing atmosphere without leaving heavy residue.

Why Choose Peur Aura

- Professional-grade performance trusted in commercial spaces
- Instant freshness with lasting impact
- Enhances customer experience and comfort
- Part of Pulire's premium hygiene and air-care solutions
- Designed to meet the expectations of HORECA and institutional users

The Professional Choice

Peur Aura is trusted by professionals to maintain fresh, pleasant, and hygienic indoor environments, delivering dependable performance wherever freshness matters.

PEUR AURA

Air / Room Freshener

Description

Peur Aura is a high-performance room freshener that instantly neutralizes odors and delivers a long-lasting, pleasant fragrance, creating a clean, fresh, and welcoming ambience without heavy residue.

Key properties & Benefits

- Instant Odor Neutralization: Quickly eliminates bad odors instead of masking them
- Long-Lasting Fragrance: Keeps spaces fresh for extended periods
- Premium Fragrance Profile: Enhances ambience with a clean, uplifting scent
- Fast-Acting Formula: Immediate freshness with minimal spray
- Non-Staining & Residue-Free: Safe for use around furnishings and fabrics
- Economical Usage: Highly effective with low consumption

Available Fragrances

Strawberry, Sandalwood (Chandan), Rose, Lavender, Jasmine, Musk

Floral Musk

Jasmine Whisper

Strawberry Burst

Mystic Sandalwood

Delicate Rose

Royal Lavender

Recommended Areas of Use

- Hotel rooms & lobbies
- Restaurants & cafés
- Washrooms & changing areas
- Offices & conference rooms
- Hospitals & clinics
- Homes & living spaces

How to Use

- Fill the spray bottle with the room freshener solution.
- Shake well before use
- Spray upwards into the air or towards odor-prone areas
- Use 5–6 sprays for small rooms; adjust quantity for larger spaces
- For continuous freshness, apply periodically

Safety & Handling

- For external use only
- Avoid direct contact with eyes; rinse immediately if exposed
- Do not spray directly on skin or flames
- Keep away from heat sources and direct sunlight
- Store in a cool, dry place
- Keep out of reach of children
