Pulfresh Antibacterial Toilet Bowl Cleaner

Multi-Disinfectant Formula

Pulfresh Antibacterial Toilet Cleaner with BKC ensures 99.9% germ removal, powerful stain elimination, and long-lasting freshness. Its advanced formula effectively cleans, disinfects, and protects, making it ideal for maintaining a hygienic and germ-free toilet

Maximum Surface Adhesion

Unlike runny liquids that quickly drain away, its non-drip, high-viscosity texture allows the active ingredients to break down stubborn stains, limescale, and bacteria more effectively. This ensures deep penetration and thorough cleaning, leaving toilets sparkling clean and hygienic with minimal effort.

Rapid Action on Tough Stains

Pulfresh Antibacterial Toilet Cleaner delivers very rapid action on tough stains, instantly breaking down limescale, rust, and hard water deposits. Its powerful formula penetrates deep, ensuring a thorough clean with minimal effort, leaving your toilet sparkling and fresh

Acidity w/w % : 11 to 12%

Viscosity: 1500 – 2500 mPa·s

pH: 1-2

Appearance: Deep blue thick liquid

Pulfresh 10X Ultra Grip Toilet Bowl Cleaner

Multi-Disinfectant Formula

Pulfresh 10X Ultra Grip Toilet Cleaner with BKC ensures 99.9% germ removal, powerful stain elimination, and long-lasting freshness. Its advanced formula effectively cleans, disinfects, and protects, making it ideal for maintaining a hygienic and germ-free toilet

Extra Thickness

Pulfresh 10X Ultra Grip Toilet Cleaner (3500-5000 cP) ensures better treatment by improved surface adhesion – Thick gel clings to vertical surfaces and under the rim for prolonged action. Allows active ingredients to work longer on tough stains, limescale, and germs. Extended contact time improves germ-killing effectiveness. Thick formula spreads evenly, preventing excessive runoff.

Rapid Action on Tough Stains

Pulfresh 10X Ultra Grip Toilet Cleaner delivers very rapid action on tough stains, instantly breaking down limescale, rust, and hard water deposits. Its powerful formula penetrates deep, ensuring a thorough clean with minimal effort, leaving your toilet sparkling and fresh

Acidity w/w % : 11 to 12%

Viscosity: 3500 – 5000 mPa·s

pH: 1-2

Appearance: Deep blue thick liquid

Pulfresh Disinfectant

Mild Hand Wash

Nourishment and Skin Protection

Pulfresh Hand Wash is enriched with Vitamin B & E, which provide deep nourishment and skin protection. Vitamin B helps maintain skin hydration and elasticity, while Vitamin E acts as a powerful antioxidant, protecting the skin from dryness and irritation. This ensures soft, healthy, and well-moisturized hands, even with frequent washing.

Enriched with Moisturizing Agents

Pulfresh Hand Wash is infused with Aloe Vera, Glycerol, and Vitamin E, ensuring hands remain hydrated and nourished even with frequent use. This moisturizing blend ensures that while Pulfresh offers powerful germ protection, it also maintains skin comfort and hydration, making it perfect for daily and professional use.

Skin Hydration

Pulfresh Hand Wash is enriched with Aloe Vera extract, Glycerol, and other moisturizing agents that help retain skin hydration while cleansing. Aloe Vera soothes and nourishes the skin, while Glycerol acts as a natural humectant, locking in moisture and preventing dryness.

Key Ingredients That Make a Difference

Aloe Vera 200 X

a highly concentrated form of aloe vera extract, offering deep hydration and skin protection. This potent ingredient provides 200 times the benefits of regular aloe vera.

Vitamin E

a powerful antioxidant that helps keep your hands soft, smooth, and protected even with frequent washing.

Panthenol Vitamin B5

a powerful ingredient known for its deep moisturizing and skin-healing properties

Pulfresh Disinfectant Mild Hand Wash

Advanced Germ Protection

Pulfresh Hand Wash is fortified with Benzalkonium Chloride (BKC) and natural antibacterial agents, providing superior protection against 99.9% of germs, bacteria, and viruses.

Pleasant & Refreshing Fragrance

Pulfresh Hand Wash leaves hands with a mild, refreshing fragrance that enhances the sense of cleanliness and freshness after every wash. The subtle yet invigorating scent provides a long-lasting feeling of hygiene, making it ideal for frequent use without overpowering perfumes.

Ultimate Clean & Cool Sensation

Pulfresh Cleanz Cool Hand Wash is infused with the natural power of eucalyptus oil, bergamot oil and menthol delivering a refreshing, cooling effect while effectively cleansing your hands. Its advanced antibacterial formula removes dirt, grease, and germs while leaving hands soft, moisturized, and invigorated.

Effective Deep Cleansing

Pulfresh Hand Wash is formulated with natural surfactants that provide effective deep cleansing while being gentle on the skin. These plant-based surfactants efficiently remove dirt, grease, and germs without causing dryness or irritation.

pH: 5 to 6
