

PULFRESH P12 MULTI ACTION BATHROOM TILES & FITTING CLEANER & DISINFECTANT

Pulfresh P12 Bathroom Tiles & Fitting cleaner is a high-performance acid-based cleaning system engineered for demanding cleaning environments such as hotels, hospitals, commercial buildings, and premium households. The formulation is designed to deliver superior removal of limescale, hard water stains, soap scum, rust residues, and bathroom grime, while maintaining surface safety and user-friendly performance.

Features & Benefits

- Advanced multi-acid descaling system
- Removes limescale, hard water stains & mineral deposits
- Powerful soap scum and organic film removal
- Effective rust stain reduction
- Restores natural shine of tiles & fittings
- Low residue, streak-free finish
- Suitable for professional cleaning applications
- Kills Germs & Bacteria – Ensures hygienic bathroom surfaces

Technical Data

pH Value	2 to 3
Appearance	Dark Red Coloured Liquid
Viscosity	Liquid
Type of Cleaning	Heavy-Duty Degreasing
Foaming	Controlled Medium Foam
Disinfectant	Moderate

Packaging

- 5 litre can x 4 (per carton)
- 5 litre can x 1 (loose)
- 500 ml bottle x 25 (per carton)

Recommended For:

- Hotel bathrooms
- Hospital sanitation zones (non-critical areas)
- Commercial washrooms
- Residential premium bathrooms
- Institutional cleaning services
- Facility management operations

Ready to Use Formula

PULFRESH P12 MULTI ACTION BATHROOM TILES & FITTING CLEANER & DISINFECTANT

Major Benefits

Powerful Descaling Action

Effectively removes stubborn limescale, hard water stains, and mineral deposits from bathroom surfaces, restoring original cleanliness and brightness.

Complete Soap Scum Removal

Breaks down tough soap film, shampoo residue, and body oil deposits, ensuring a smooth, streak-free surface finish.

Rust & Yellow Stain Reduction

Helps reduce rust marks, yellow stains, and waterline discoloration, improving overall surface appearance.

Restores Surface Shine

Enhances the natural shine of tiles, ceramic, and fittings by removing dull layers of mineral and organic buildup.

Deep Penetration Cleaning

Advanced surfactant and solvent system penetrates deep into stains for effective loosening and easy removal without excessive scrubbing.

Hard Water Performance

Optimized for areas with high mineral content water, ensuring consistent cleaning performance even in borewell or hard water regions.

Streak-Free Finish

Leaves surfaces clean without white marks, residue, or streaks, ensuring a polished appearance after rinsing.

Professional Cleaning Efficiency

Designed for reduced cleaning time and lower manual effort, suitable for housekeeping and facility management operations

PULFRESH P12 MULTI ACTION BATHROOM TILES & FITTING CLEANER & DISINFECTANT

SURFACES & FITTINGS WHERE IT CAN BE USED

Bathroom Tiles & Surfaces

Wall tiles
Floor tiles
Shower area tiles
Bathroom partitions

Bathroom Fittings (Metal & Chrome Surfaces)

Taps and faucets
Shower heads
Shower pipes & rods
Angle valves
Mixer units
Flush pipes (external)

Other Bathroom Surfaces

Wash basins
Sink areas
Glass shower doors (light deposits)
Bathroom counters

Surface Compatibility

- Suitable For:
- Ceramic tiles
- Vitrified tiles
- Wash basins
- Chrome fittings (short exposure)
- Shower panels
- Bathroom walls & floors

- Marble
- Natural stone
- Terrazzo (unsealed)
- Acid-sensitive decorative surfaces
- Aluminum (prolonged contact)

Important Note for Fittings

For chrome and metal fittings, allow short contact time (1-2 minutes) and rinse thoroughly to maintain long-term shine.

PULFRESH P12 MULTI ACTION BATHROOM TILE & FITTINGS CLEANER & DISINFECTANT

Directions for use

Standard Cleaning:

Apply directly on surface
Allow 2–3 minutes contact time
Light scrubbing if required
Rinse thoroughly with clean water

Heavy Stain Cleaning:

Repeat application or extend contact time up to 5 minutes

Safe Handling and Storage Information

Keep out of reach of children and pets. Avoid contact with skin and eyes; wear gloves while using. Do not ingest; harmful if swallowed. Use in a well-ventilated area. Do not mix with bleach or other cleaners (may release harmful gases). Avoid splashing; handle carefully. Eyes: Rinse immediately with plenty of water. Skin: Wash with soap and water. Ingestion: Seek medical attention immediately. Do not mix with bleach or chlorine-based products. Avoid prolonged skin contact. Store in a cool, dry place away from sunlight. Keep container tightly closed. Store in original, corrosion-resistant container
