

Lime HF is a powerful, high-foaming dishwashing liquid that cuts through grease and removes stubborn food residues, leaving utensils sparkling clean. Its 2X Lime formula offers excellent cleaning performance at a cost-effective price.

Why Is Lime HF Beneficial for Restaurants?

Lime HF features a powerful 2X Lime Formula with citric acid that helps cut through tough grease and food residues. Its rich foam supports effective cleaning of plates, glasses, cookware and utensils, even during busy restaurant hours. With high cleaning performance and a cost-effective price per litre, Lime HF helps restaurants manage daily dishwashing expenses while keeping utensils sparkling clean.
