

# AYUR CLAIR

**Plant Based Ingredients**

**Eco Friendly**

# Why Choose Ayur Clair?

## Plant-Based Cleaning Agents

Plant-based cleaning agents are derived from natural sources like coconut, corn, and citrus. They offer effective cleaning power without harsh chemicals, making them safe for skin, surfaces, and the environment. Ideal for sustainable, non-toxic, and eco-conscious living

## Ayurvedic Extracts & Essential Oils

Ayurvedic extracts and essential oils, like neem, tulsi, and eucalyptus, provide natural antibacterial and healing properties. They cleanse effectively while offering a soothing aroma, promoting wellness. These ingredients ensure gentle care for the skin and home, rooted in ancient wisdom.

## Free from Toxins, Parabens, EDTA

Free from toxins, parabens,, EDTA and having nominal sulphate, Ayur Clair products offer a safer, healthier alternative to conventional cleaners. This chemical-free approach protects your skin, respiratory health, and the environment, making them ideal for families seeking a natural, gentle, and effective cleaning solution.

## Safe for Children, Pets & the Planet

Formulated with natural, non-toxic ingredients, Ayur Clair products are safe for children, pets, and the planet. They ensure a clean, healthy home without harmful residues, supporting eco-conscious living and the well-being of your loved ones.

# Hand Wash

## Gentle on Hands. Strong on Germs.

A soothing, pH-balanced hand wash enriched with natural extracts like neem, tulsi, and aloe vera. Keeps hands clean, soft, and refreshed with a light herbal fragrance.
