LIME HF

NEUTRAL DISH WASH GEL

POWERFUL CLEANING • GENTLE ON HANDS

LIME HF Neutral Dish Wash Gel is a premium dishwashing solution formulated with the natural power of lime. It cuts through tough grease and oil effortlessly while being gentle on your hands.

Its neutral pH formula ensures safe and effective cleaning for everyday use, leaving your utensils sparkling clean with a refreshing lime fragrance.

LIME HF

NEUTRAL DISH WASH GEL

POWERFUL CLEANING • GENTLE ON HANDS

KEY FEATURES

TOUGH ON GREASE

Quickly removes stubborn grease, oil, and food residues from utensils.

GENTLE ON HANDS

Neutral pH formulation helps protect hands from dryness and irritation.

FRESH LIME FRAGRANCE

Leaves utensils fresh and odour-free after every wash.

RICH FOAM ACTION

Produces dense and long-lasting foam for effective cleaning.

QUICK RINSE FORMULA

Rinses easily without leaving residue or stickiness.

MULTI-SURFACE CLEANING

Safe for steel, ceramic, glass, plastic, and non-stick utensils.

ECONOMICAL USAGE

Highly concentrated formula ensures better cleaning with less quantity.

METHODS OF USING LIME HF

Effective cleaning for every need. Use LIME HF the right way for sparkling clean utensils and a hygienic wash every time.

1. DIRECT SPONGE APPLICATION FOR STUBBORN OIL STAINS

Apply a small quantity of LIME HF directly on a wet sponge or scrub pad. Clean utensils thoroughly and rinse with clean water.

2. REGULAR & LIGHT CLEANING

● Dilute 50–70 ml of LIME HF in 1 litre of water.

Ideal for regular daily dishwashing applications.

3. SOAKING METHOD

● Dilute 100 ml of LIME HF in 1 litre of water.

For heavily soiled utensils, soak for a few minutes before scrubbing and rinsing.

4. COMMERCIAL KITCHEN USAGE

Suitable for regular utensil cleaning in restaurants, hotels, cafeterias, catering services, and commercial kitchens.
