

PULIRE BIOSYSTEMS PVT LTD

**PERSONAL
CARE PRODUCTS**

Pulire Personal Care Products are premium solutions designed for effective hand and body care. They combine ultra-hydrating moisturisers and antioxidants with a hydrating formula to keep skin soft and healthy. Enriched with natural ingredients like neem and aloe vera and a pleasant fragrance, these products provide superior cleansing, protection against germs, and long-lasting freshness, suitable for both domestic and commercial use.

Why Choose Pulire Personal Care Products

- Superior Protection: Effectively cleanses and protects against germs.
- Skin-Friendly: Enriched with ultra-hydrating moisturisers, antioxidants, and natural ingredients like neem and aloe vera.
- Hydrating & Nourishing: Keeps skin soft, healthy, and refreshed.
- Pleasant Fragrance: Leaves hands and body feeling fresh and fragrant.

Special Features of Pulire Personal Care Products

- Effective Germ & Bacteria Protection: Provides superior antibacterial action.
- Natural & Skin-Friendly: Enriched with neem, aloe vera, and citric acid for gentle care.
- Deep Hydration: Ultra-hydrating formula keeps skin soft, nourished, and healthy.
- Antioxidant Protection: Shields skin from environmental damage.
- Refreshing Fragrance: Leaves hands and body feeling clean and fresh.

OUR RANGE OF PRODUCTS

7475 FRESH AURA

Anti-Bacterial Shower Gel

7475 Fresh Aura Shower Gel is a refreshing body wash that cleanses, hydrates, and revitalizes the skin. Enriched with natural moisturizers and a pleasant fragrance, it leaves skin soft, fresh, and rejuvenated after every shower.

7475 VITA WASH

Premium Mild Hand Wash

7475 Vita Wash delivers a rich lather that cleanses hands thoroughly while keeping them soft and hydrated. Enriched with aloe vera, glycerin, and natural moisturizers, it removes germs gently. Paraben-free and pH-balanced, it's ideal for sensitive skin and frequent use.

PULFRESH P2

Anti-Bacterial Mild Hand Wash

Pulfresh P2 produces a rich lather that thoroughly cleanses while keeping hands soft. Enriched with glycerin, it eliminates germs without drying the skin. Paraben-free and pH-balanced, it's ideal for sensitive skin and frequent use.

Effective Germ Protection

Our Personal Care Products is specially formulated to provide powerful antibacterial protection. Its advanced formula helps eliminate up to 99% of bacteria, ensuring your hands remain clean and safe.

Our Hand Wash and Shower Gel combines safe and effective antibacterial agents like benzalkonium chloride, ethanol, and citric acid with natural ingredients such as aloe vera, neem, tea tree oil, and turmeric. This powerful blend eliminates 99% of bacteria, provides lasting protection, and is gentle on the skin. Free from harmful chemicals, it is non-toxic, skin-friendly, and environmentally safe, reducing the risk of irritation while keeping your hands clean and protected.

Neem, a key ingredient in Pulfresh Hand Wash, provides natural antibacterial protection, effectively eliminating harmful microbes while soothing and healing the skin. It helps prevent infections, is gentle and non-toxic, and offers long-lasting cleanliness without stripping the skin's natural oils.

Aloe vera in Pulfresh Hand Wash provides deep hydration and soothing care, calming irritation, repairing dry skin, and locking in moisture. Rich in antioxidants and vitamins, it nourishes hands, promotes skin health, and is gentle enough for frequent use.

Antioxidant Properties

Pulire Personal Care Products go beyond cleansing, combining natural antioxidants to protect, nourish, and rejuvenate the skin for healthier, more resilient hands.

Neutralizes Free Radicals: Aloe vera and turmeric help protect skin by neutralizing harmful free radicals, preventing damage and premature aging.

Boosts Skin Hydration: Antioxidants help retain moisture, keeping skin soft and hydrated even with frequent hand washing.

Skin Repair & Protection: Antioxidants help repair and shield skin from environmental stressors, reducing irritation, dryness, and oxidative damage.

Ultra-Hydrating Moisturizer

Pulire Personal Care Products are specially crafted with advanced moisturizing ingredients that go beyond basic cleansing. Each use not only removes dirt and germs but also deeply hydrates and nourishes the skin, helping to restore its natural softness and smoothness. The enriched formula ensures that hands remain comfortable, well-moisturized, and healthy, even with frequent washing, making it ideal for daily use in both domestic and professional settings.

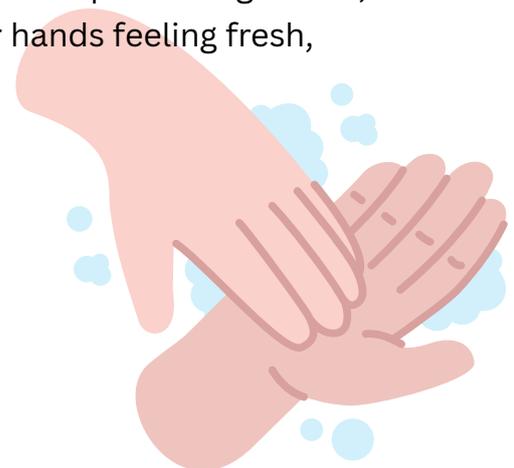

Deep Hydration: Enriched with natural moisturizers such as aloe vera, glycerin, and coconut-derived emollients, Pulire Personal Care Products help maintain the skin's natural moisture barrier, keeping it soft and protected even with frequent use.

Softens Skin: The rich formula gently softens rough and dry hands, making it ideal for combating dryness, especially in cold or harsh weather.

Long-Lasting Moisture: Enriched with hydrating agents, Pulire Personal Care Products keep hands moisturized and soft throughout the day.

Ultra-Cleaning Performance

Pulire Personal Care Products are designed to deliver thorough and effective cleaning with every wash, removing dirt, bacteria, and viruses while remaining gentle on the skin. Enriched with mild yet powerful surfactants like Cocamidopropyl Betaine, they lift away grease, grime, and impurities efficiently. Despite their deep-cleaning action, they rinse off easily without leaving any residue, leaving your hands feeling fresh, clean, nourished, and comfortable after every use.

Safety Standard

Pulire Personal Care Products are developed and manufactured in compliance with stringent safety and quality standards to ensure safe, reliable, and effective daily use.

- **Dermatologically Safe:** Formulated to be gentle on skin and suitable for frequent hand washing
- **pH-Balanced:** Maintains the skin's natural protective barrier
- **Free from Harsh Chemicals:** No parabens or harmful additives
- **Non-Toxic Formulation:** Safe for regular use in homes and professional environments
- **Skin-Friendly Ingredients:** Enriched with natural extracts and moisturizers to prevent dryness and irritation
- **Quality-Controlled Manufacturing:** Produced under strict quality checks and controlled processes
- **Compliance-Oriented:** Most formulations are developed in line with applicable BIS and industry safety norms

Pulire ensures that every product delivers effective hygiene without compromising skin health or user safety, making it suitable for households, institutions, and high-usage environments.
