SAFETY HANDLING GUIDE

- READ THE LABEL**
 Read all instructions and safety information before use. Follow all directions carefully.
- USE PERSONAL PROTECTIVE EQUIPMENT (PPE)**
 Wear protective gloves, safety goggles, and appropriate clothing while handling and using P11 Kitchen Cleaner.
- WORK IN A WELL-VENTILATED AREA**
 Ensure adequate ventilation during use. Avoid inhaling vapors or spray mist.
- AVOID CONTACT WITH SKIN, EYES & CLOTHING**
 Do not get the product on skin, in eyes, or on clothing. Avoid prolonged or repeated contact.

- DO NOT MIX WITH OTHER CHEMICALS**
 Do not mix with bleach, acids, or other cleaners. Mixing may release harmful gases.
- KEEP OUT OF REACH OF CHILDREN & PETS**
 Store and use out of reach of children and pets. Not for personal use.
- STORE SAFELY**
 Store in a cool, dry place away from sunlight. Keep container tightly closed when not in use.
- HANDLE WITH CARE**
 Use clean tools and equipment. Avoid splashing. Wipe spills immediately.

- ### GENERAL SAFETY PRECAUTIONS
- ✔ Use only for the intended purpose: cleaning hard, non-porous kitchen surfaces.
 - ✔ Test on a small, inconspicuous area before full use.
 - ✔ Do not use on unsealed wood, aluminum, non-stick or delicate surfaces.
 - ✔ Do not ingest. Harmful if swallowed.
 - ✔ Keep container upright during storage and transport.
 - ✔ Dispose of empty container responsibly. Do not reuse container.
 - ✔ Wash hands thoroughly after handling.
 - ✔ In case of spills, clean immediately to avoid slipping.

- ### WHAT TO DO IN CASE OF SPILL
- Wear gloves and eye protection.
 - Contain the spill and absorb with inert material (sand, ash, or absorbent cloth).
 - Collect and dispose of in accordance with local regulations.
 - Rinse the area with plenty of water.
 - Prevent spill from entering drains or water bodies.
- 

FIRST AID GUIDE

In all cases of exposure, seek medical attention if irritation or discomfort persists.

EYE CONTACT

Immediately flush eyes with plenty of clean water for at least 15 minutes. Remove contact lenses, if present and easy to do. Seek medical attention immediately.

SKIN CONTACT

Remove contaminated clothing. Wash affected area thoroughly with soap and plenty of water. If irritation persists, seek medical attention.

INHALATION

Move to fresh air immediately. Keep person at rest. If breathing is difficult, seek medical attention immediately.

INGESTION

Rinse mouth thoroughly with water. Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Seek immediate medical attention.

EMERGENCY INFORMATION

In case of major exposure or if you feel unwell, seek immediate medical attention and show the product label if possible.

Poison Control / Emergency Helpline
 In case of emergency, contact your local poison control center or doctor immediately.
